Mike Bloomberg overturned term limits, even though you voted for them twice.

Now we have record unemployment and hardworking New Yorkers are being forced out of the City because they can't afford to live here anymore.

Under Bloomberg, taxes, rents, MTA fares and water rates have all skyrocketed—because Bloomberg won't make the wealthiest pay their fair share.

Eight years is enough.
It's time for change
in City Hall.

**Bill Thompson will put
City Hall back on the side
of the middle class and make
our City more affordable.**
